**POLICY REGARDING RESIDENCY FOR CEMETERY FEES**

**EFFECTIVE 06/01/2012**

During the Town council meeting of May 3 2012, Mayor Butler decided that the standard for determining residency regarding cemetery fees would be that of the State of Utah's definition. A person must live within the corporate limits of the Town of Mantua for at least 6 months prior to their death to be eligible for resident rates. Residency further requires maintaining a domicile and not merely being a property owner or subject to any fees levied by the town.

The Town Council made 3 exceptions to the state residency rule. Any person meeting the following criteria shall be deemed a resident if their death occurs while away due to any of the circumstances listed below.

1. Any person who has been forced (due to age or inability to care for themselves) to reside in a nursing home or with a family member.
2. Any person who has been called as a missionary for not to exceed 3 year's service.
3. Any person called up to serve in the United States Military, being drafted or recalled to service for the duration of their duty.

Fees shall be applied in accordance with the current fee schedule as determined from time to time by the Mantua Town Council.
